

Conference on 'Manufacturing of Drone and Robotics in UP, their usage, and the way forward'

The UP State Centre of Institution of Engineers (India), is organizing a one-day seminar on the 'Manufacturing of Drone and Robotics in UP, their usage, and the way forward' at Lucknow on 7th Dec 2024.

The conference aims to bring together the industry, academia, institutional bodies, suppliers of drones/ their components, and the UP Government machinery associated with the manufacturing and usage of drones and robots to assess the status of the technology in the state, explore the areas to expand, and suggest ways forward.

Topics to be covered will be:

- 1) Drone and its components manufacturing in UP vs all India efforts.
- 2) Robot and its component manufacturing in UP vs all India efforts.
- 3) Areas of usage of drones and robots.
- 4) Innovations at schools, colleges, and universities.
