

Brief Profile

Dr. Praveen Kumar Shukla

**Professor and Dean, School of Engineering, Babu Banarasi Das University,
Lucknow**

Adjunct Faculty, South Asian University, New Delhi

Secretary, IEEE CIS UP Chapter, IIT Kanpur

Dr. Praveen Kumar Shukla is an accomplished academic leader and researcher with over 20 years of experience in higher education, research, and institutional administration. He presently serves as Professor and Dean at the School of Engineering, Babu Banarasi Das University, Lucknow, where he has been instrumental in advancing academic innovation, research excellence, and global collaborations.

His leadership initiatives include the establishment of the AI Research Centre, launching IBM-collaborative B.Tech programs in Cloud Computing, Machine Learning, IoT, and Blockchain, and organizing international conferences with Springer and IEEE. Dr. Shukla has also spearheaded the creation of the IEEE Student Branch and IIT Kanpur's Virtual Lab Node at BBD University.

A prolific researcher, he has published extensively in Scopus and Web of Science-indexed journals, edited multiple international books with publishers such as CRC Press and Bentham Science, and supervised several Ph.D. scholars in the fields of Machine Learning, Fuzzy Systems, and Smart Agriculture. His research indices include an H-index of 13, i-10 index of 18, and 552 citations on Google Scholar.

He is a member of IEEE Computational Intelligence Society, the Soft Computing Research Society, and the Institution of Engineers (India). His contributions have been recognized through various honors and he received Appreciation Award from IEEE UP Section.
